Dear Sir or Madam,

This is a request for a refund for the overpayment of fees charged to Howrey's USPTO Deposit Account No. 08-3038 for a filing on a Reissue Patent Application made on September 19, 2008.

While electronically filing a Reissue Patent Application for U.S. Patent No.: 7,108,919, we inadvertently filed it as an existing application/patent (Electronic Acknowledgement Receipt attached) instead of as a new application. We needed the filing date of September 19, 2008, so we refiled the exact same submission as a new application under the serial number 12/234,374 (Electronic Acknowledgement Receipt attached).

Please issue a credit in the amount of \$1,850.00 to our account accordingly. Please do not hesitate to contact me at the number above if you have any questions concerning our request for a refund.

Very truly yours,

Kimberly L. Brown  
Patent Attorney

This Acknowledgement Receipt evidences receipt on the noted date by the USPTO of the indicated documents, characterized by the applicant, and including page counts, where applicable. It serves as evidence of receipt similar to a Post Card, as described in MPEP 503.

**New Applications Under 35 U.S.C. 111**

If a new application is being filed and the application includes the necessary components for a filing date (see 37 CFR 1.53(b)-(d) and MPEP 506), a Filing Receipt (37 CFR 1.54) will be issued in due course and the date shown on this Acknowledgement Receipt will establish the filing date of the application.

**National Stage of an International Application under 35 U.S.C. 371**

If a timely submission to enter the national stage of an international application is compliant with the conditions of 35 U.S.C. 371 and other applicable requirements a Form PCT/DO/EO/903 indicating acceptance of the application as a national stage submission under 35 U.S.C. 371 will be issued in addition to the Filing Receipt, in due course.

**New International Application Filed with the USPTO as a Receiving Office**

If a new international application is being filed and the international application includes the necessary components for an international filing date (see PCT Article 11 and MPEP 1810), a Notification of the International Application Number and of the International Filing Date (Form PCT/RO/105) will be issued in due course, subject to prescriptions concerning national security, and the date shown on this Acknowledgement Receipt will establish the international filing date of the application.
